CHARCOAL FIRED GRILLS SERVED WITH HAND CUT CHIPS

We char grill our steaks in a charcoal burning oven called a Big Green Egg. The oven reaches temperatures up to 400 degrees centigrade quickly sealing the meat, trapping in the juices & flavours. The result is beautifully charred meat on the outside but succulent, juicy and flavoursome on the inside.

- MIXED GRILL ... 16.50***
cumberland sausage, 4oz rump steak, streaky bacon, cajun chicken breast, black pudding, fried egg, grilled tomato, sauté mushroom.
