Hello!

Thank you for reading our second newsletter, a chance for us to keep you up-to-date with what has been happening at The Vine Inn - the village pub - and what is coming up in the next few months.

Firstly, thank you to everyone who has visited the pub over the last few months and it's great to see regular faces as well as plenty of new ones. If you haven't been into the pub yet then don't leave it too long!

*Our first quiz evening was a roaring success, a fun evening that we will be repeating at regular intervals throughout the year. **Date for your diary:** our next quiz will be on the evening of **Tuesday 26th September**. We will be taking bookings for diners from between 6pm-7.30, which means you'll have the table for the evening. Spaces are limited so don't miss out! On the 10th July we hosted a charity quiz in conjunction with Jules Adcock, a local **Help for Heroes** volunteer. Together we helped **raise £509**, which is a fantastic effort by all involved, so a big thank you for everyone who donated and participated. If anyone supports or works with a local charity or good cause and wishes to organise a fund raising evening at the pub then please contact us to discuss how we can help.*

*We've been updating our menus every 6 weeks or so and are trying to use local, regional & seasonal produce wherever possible. We enjoy reading comments on our Facebook page and if possible try to do something in response which can be seen in us having recently reviewed our vegetarian offering & we will be aiming to have a minimum of **4 vegetarian starters & 3 main courses** available to provide better choices.*

*Also as a result of feedback we have changed the senior citizens menu to be a set lunch menu, **2 courses £9.99, three courses £14.50**, which is proving popular and ideal for **ladies that lunch**.*

We are always interested to hear what people think of what we're doing here at The Vine. Please let us know via Facebook, thorough our website or email manager@vineinn.co.uk.

As always, keep up to date with what's going on here at The Vine by following us on facebook – www.facebook.com/vineinn , twitter @vineinnessex or by visiting our website www.vineinn.co.uk.
